

Summer Start is a unique tutoring programme to help meet the needs of children with learning disabilities in individualized approaches. We reserve the right to limit enrolment to those children whose primary presenting difficulty is a learning disability.

There is a three day probationary period for which a non-refundable fee of \$45 per day plus a \$40 administration fee will be charged.

“I thought I did NOT want to come but I’m glad I DID.” Participant

Learning Disabilities Association of Kitchener-Waterloo is an organization devoted to the education and general welfare of children, youth and adults.

It is better to build children than mend adults . . .

FROM THE PARENTS:

“Every child with any learning difficulties will thrive in this program. Their self confidence and esteem is enhanced and that alone is worth the time and effort!”

“It was nice to see my son eager to attend Summer Start. Through it he learned to develop skills he will need to help him succeed in grade 8.”

“Great confidence booster for children from people that understand learning disabilities. I would tell other parents that Summer Start is a fun way for their child to learn”

“It’s a great program that really boosts a child’s confidence and reinforces concepts in a setting that promotes learning.”
